

STUDENTS' QUESTIONNAIRE

Your college will soon be having an inspection, and inspectors would like to know your views. Your answers are private and only the inspectors will read what you have written, but the proportion of agreement and disagreement in all the questionnaires will be shared with the college leaders. If you wish, you can add any additional comments on the other side of this sheet.

Personal details

Name (optional):

Age:

Nationality:

Principal home language:

Please tick the answer that best fits what you think		<i>agree</i>	<i>disagree</i>	<i>don't know or not applicable</i>
1	The courses I am following are suitable for me			
2	I was given clear information about what I needed to know for my courses before I began			
3	<i>(For students whose principal home language is not English)</i> I was given clear information about the level of English I would need for my courses			
4	I know which of my courses lead to externally approved qualifications and which lead to the college's own qualifications			
5	I feel that staff show good knowledge and understanding of what they are teaching me			
6	My work is assessed regularly and thoroughly and I am given clear information about my progress			
7	I feel that I am looked after well and valued as an individual			
8	The college seems to me to be well run, for the benefit of students			
9	I am given clear, comprehensive, accurate and up-to-date information about the college			
10	I am aware of the procedures for making complaints
